la storia della fotografia di nudo è la storia delle persone che si sono fatte affascinare da
questo soggetto infatti la rappresentazione fotografica del corpo umano è l'unico soggetto
che ha ammaliato fotografi teorici e pubblico per un periodo di tempo così lungo oltre 150
anni nessun altro motivo è così diffuso durante tutte le fasi di sviluppo che formano la
storia della fotografia nessun altro è così presente indipendentemente dalla tecnica ed è
oggetto di tante discussioni nel contesto di quasi tutti i movimenti estetici nessun altro tipo

di soggetto ha prodotto una tale varietà di specialità dall interpretazione etnologica del corpo agli scatti di moda fino alle pin up di oggi nessun altro campo di applicazione della fotografia ha ispirato tanto desiderio suscitando la collera ufficiale 1000 nudes offre una sezione trasversale della storia della fotografia di nudo spaziando dai primissimi dagherrotipi e dalle prime fotografie etnografiche di nudi fino alla fotografia sperimentale l opera copre un periodo di tempo che spazia dal 1839 fino a circa il 1939 dagli albori di questo mezzo alla fine del classico periodo modernista tutte le immagini sono tratte dalla collezione di uwe scheid che era uno dei più importanti collezionisti al mondo di fotografia erotica

ever feel like you re being kept in the dark do you feel like the facts and history you rely on might not be the truth the whole truth and nothing but russ kick delivers a second round of stunning information forgotten facts and hidden history all thoroughly researched and documented sized for quick reference filled with facts illustrations and graphic evidence of lies and misrepresentations 50 things you re not supposed to know volume 2 presents the vital often omitted details on human health hazards government lies and secret history and warfare excised from your schoolbooks and nightly news reports russ kick and the disinformation company have published five successful books together since 2001 each one has become a bestseller establishing russ as the leader in gathering and disseminating the hidden history forgotten facts secret stories and covert cover ups that they don t want you to know

the encyclopedia of nineteenth century photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century it sets out to be the standard definitive reference work on the subject for years to come its coverage is global an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication the encyclopedia presents new and ground breaking research alongside accounts of the major established figures in the nineteenth century arena coverage includes all the key people processes equipment movements styles debates and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool creative medium and recorder of everyday life which it had become by the dawn of the twentieth century the sheer breadth of coverage in the 1200 essays makes the encyclopedia of nineteenth century photography an essential reference source for academics students researchers and libraries worldwide

today hardly anything moves as fast across the globe as images and media this fact opens new avenues to explore social and cultural change but also poses new theoretical challenges of how to grasp and better understand these changes and flows moreover such movements across geophysical and cultural borders have a historical depth that enables us to explore globalisation and localisation in new ways transculturality is still a relatively new field of research in the humanities through which we sharpen our competence and literacy to come to terms with the complexity of globalised cultures this volume ventures into new domains of research on the transculturality of images and addresses the need to develop

new or modify established often ethno and eurocentric interpretations of what happens when images travel it does so by bringing together cutting edge research from fields such as art history cultural anthropology colonial history islamic studies religious studies and literary criticism

the apogee of high culture or an assault on public morality the representation of the nude figure was one of the most controversial issues in victorian art this publication surveys the full range of victorian representations of the nude both male and female concentrating on painting sculpture and drawing but also exploring the artistic depiction of the naked body in other media both high and low including photography popular illustration advertizing imagery and caricature foregrounding issues of morality sexuality and desire that remain relevant in the 21st century

a fresh fascinating appraisal that is the first study of the nude in photography as seen through the social customs manners and taboos that shaped the art 20 full color and 200 black and white photographs
